

*Christmas 2008*

*Dear Friends;*

*As the magic of the holiday season approaches, let me take a moment to express my thanks for your continued support and generosity of Hunger Plus, Inc.*

*Most people believe that Christmas is “the season of giving”, but all of you have shown me that in your hearts anytime is the “giving season”. So as you gather around the Christmas tree with your friends and family; I hope that you are reminded of the family that you have helped celebrate Christmas this year. The one that you will never meet; the family that now has medication for their sick child, or a warm blanket to ward off the cold or enough food to feed the whole family so no one goes hungry. Those are the gifts you’ve given this season and all year round.*

*The role you play is an integral part of Hunger Plus, Inc. Without your support and giving spirit; we would be unable to help those less fortunate than ourselves.*

*Merry Christmas to all of you, may your holidays with your families be blessed and my God be with you always!*

*J. B. Roberts*
