

... WITH A PASSION FOR FEEDING THE HUNGRY

District Participation in Hunger Plus

HUNGER PLUS INC.
To Feed The Hungry and Help Them Become Self-Reliant

[Suggested method]

Introduce the
Hunger Plus program

to your district before and during your Governor's Club visit. Tell the story about the need and then tell them how they can be participants. Pick out a specific member of the Rotary Club and ask him/her how much he spent for the meal today. When he (if the member is a man) has responded, ask him how many people he has fed with that meal cost. Then ask who that person was. The obvious answer is that he has fed one person, and that person is himself, but you want the Rotarian to acknowledge that. You pause a moment and then say that by adding 50 cents (.50) to the cost of his meal, he could feed an additional 8 people. You reiterate the additional cost and what can be done because of it. You then ask for the Rotarians who are willing to add the 50 cents to their meal cost to raise their hands. If you have done a good job selling, you should have at least 75% participation. Using this method, PDG John Germany raised over \$50,000 in District 5910 and was awarded RI President Frank Devlyn's award for Outstanding Task Force Project in 2000-2001.
