

John Cooper School

John Cooper School Interact Club

May 2007

The Woodlands, Texas

It is with great pleasure that I send this \$2,780.46 contribution from The John Cooper School Interact Club. This year our Hunger Plus chairs, seniors Maggie Dunlap and Sarah Novelli did a fantastic job raising money. They arranged weekly bake sales and planned a car hop at Sonic Drive-in to raise funds. For the car hop, Interact club members worked as car hops and got to keep the tips and Sonic Manager, Trey Baker, donated a percentage of the evening's sales for Hunger Plus. Maggie even asked guests at her 18th birthday party to make contributions to Hunger Plus in lieu of gifts! These girls were determined to make this the best year every, and it was.

Our Interact Club here at The John Cooper School, a K-12 independent school, has about 60 members. Our local Rotary Club sponsor here in The Woodlands is Jeff Early. The attached picture is of Maggie and Sarah with the Sonic Drive-in Hot Dog when he came to help promote the Sonic Car Hop event.
