INDONESIA RADIO PROJECT/PROPOSAL

Dear J. B.,

What a blessing it is to know you and to be your partner in helping the people of Indonesia to rebuild their lives through the tool of 'target' low-power FM radio. After suffering through two catastrophic earthquakes and a devastating tsunami, the radio stations that you have helped us to build have greatly aided in the relief and recovery efforts on behalf of the people of Indonesia. Your recent financial contribution to Blessings For Obedience allowed us to contribute a complete FM radio station for Nias Island, Sumatra. This is one of two stations that we and our partners, HCJB World Radio, have constructed on Nias. Nias was hard-hit by two earthquakes that struck in December and May, both of which registered *nearly 9 points* on the Richter scale.

In addition to Nias, Hunger Plus helped us to donate radio equipment for stations (Radio Lizbeth) in **Kupong**, (West Timor), **Sorong**, (Irian Jaya) (Disciple Makers Radio), **Kalimantan** (Borneo), and very soon, **Sulawesi**, Java. Being Christian ministries, Blessings For Obedience and HCJB also have been blessed to be allowed by the Indonesian government to broadcast Christian Gospel programs over these stations. Our engineer, David Martin, reports that people had quickly found our frequencies and "tuned-in" the broadcasts on FM receivers that were built into their cell phones! One of our station managers has even started an orphanage at his station building. The muslims *do not* want to encourage orphanages—so sad.

As I mentioned to you on the phone, we have an opportunity to build a plant in Bali, Indonesia where we can build our own 300-watt FM transmitters for under \$1,700.00 USD. We need to raise between \$30,000.00 and \$40,000.00 to purchase the parts to assemble. HCJB is raising the funds for a three-story building in **Bali** that we hope to purchase for \$150,000.00. We have an immediate need for \$10,000.00 now to build the new Sulawesi FM station. Anything that Hunger Plus would like to do in these efforts will be most welcome and appreciated. *Thank you.*

Love and blessings,

Kelly Coleman, President
