ANNUAL REPORT 2008-2009
**Our Mission..**

Hunger Plus, Inc. is a not-for-profit relief agency dedicated to the reduction and elimination of hunger worldwide through feeding programs combined with projects that promote self-reliance.

2009 Hunger Plus Board Members:
L-R: Wayne Merrill, Don Ferguson, J.B. Roberts, Charles Cotten, Danny Carpenter, Don Shinn (standing) and Phelps Blume (CPA)
In 1998, I formed Hunger Plus, Inc. along with 8 other Rotarian Past District Governor’s in answer to a plea from the Tarahumara Indians in the State of Chihuahua, Mexico. The Tarahumara were plagued with persistent drought problems and crop failures which caused widespread hunger and malnutrition throughout their community. So Hunger Plus, Inc. was created, a non-profit 501(c)(3) organization, dedicated to: raising public awareness of hunger and its causes; delivering food and promoting cooperation to solve both emergency and long term hunger problems; and providing education to teach communities how to feed themselves to ultimately break the cycle of hunger.

Over the years, we’ve expanded Hunger Plus, Inc., in answer to the growing needs of the world, to include humanitarian aid and supplies that we have sent to every continent except Antarctica. In addition to food, we have been able to provide medical & dental supplies & equipment, water wells, communication stations, infant/baby supplies, computers & office equipment to set up medical offices, computers for schools, fire trucks & ambulances, daily hygiene essentials, blankets, coats, and so much more.

Fortunately, we have several agencies partner with us in our humanitarian efforts; USAID, USDA, Rotary, Rotary Action Groups on Alleviation of Hunger and Malnutrition and Disaster Relief, Creation Care International, World In Need, Missions and Churches, Transportation Agencies, Food Distributors, Private Volunteer Organizations and Individuals. And because of their help we have been able to provide millions of dollars worth of food and humanitarian supplies to the impoverished.

On behalf of all of us at Hunger Plus, Inc., we appreciate your support as we continue the fight against the debilitating effects of hunger and malnutrition. We couldn’t do it without you!

— J.B. Roberts, Chairman

Dear Chairman Roberts,

There are many reasons why I support the mission of Hunger Plus, Inc. These are just a few:

- **RESULTS:** Hungry people are being fed and hope is being restored.
- **Overhead:** All donated funds go directly to projects.
- **Timeliness:** There is no multi-layered bureaucracy to restrict timely response.
- **Partnering:** Reliable domestic and international partnerships contribute to effective projects.
- **Listening skills:** HPI listens to its partners and to recipients so projects are administered with practicality and cultural sensitivity.
- **Solutions:** Hunger Plus, Inc. seeks to feed people AND help them develop capacities for feeding themselves.
- **Flexibility:** HPI tailors shipments to include a variety of supplies according to request.

It is a privilege to work in partnership with Hunger Plus, Inc.

Dear JB and Hunger Plus,

What a blessing you and the HP team have been to so many of us in Honduras. Almost one year ago, I was put into contact with you through the president of the Borger Rotary Club. Since our first communication, I knew that we would be great partners. Now, after working throughout 2009 with you and the HP team, I am convinced that our amazing God is responsible for the partnership that we have developed. Working together we have been able to deliver untold good news to literally thousands of people in need - throughout every department (state) in Honduras. We have delivered 3 containers of medical equipment and medicines worth well over one million dollars. We have delivered more than 200,000 pounds of food. Some of which allowed my organization - Casa de Esperanza to establish a feeding center that delivers a hot meal to more than 250 kids - Monday through Friday - every week of the year. Other parts of this food are being used to feed elderly folks at a care facility in Tegucigalpa. Needless to say, the medicines, medical equipment, and food has saved lives.

Honduras is blessed because of the work that has occured in the past year and many people are excited that the work continues.

Thanks for what you do,

Dear Mr. Roberts:

I just read your chairman message at your internet homepage, and let me tell you just one word: Thanks!!!

I saw that you are founded on the basis of the principles Rotarians, and as a President of Club Rotario Chihuahua Campestre, let me tell you that all the medical supplies that you sent to El Paso, TX, will be imported for the Coordinación Estatal de la Tarahumara, wich it’s a Chihuahua’s Government office whom are in charge of the help and care of the Tarahumara people.

So you can be sure, that all of your help, will get the mission objectives of your prestigious organization, and as I promised to Susan, when we get the shipment in Chihuahua we are going to send you some photos of that event, and even better, of the tarahumara people whom will gonna get the benefit of all of your help.

So, on behalf of all the Rotarian members of our club please receive all our gratitude for let us be a small way of your help, and please remember that all of you have a truly friends here in Chihuahua.

Mr. JB Roberts,

We The Salvation Army of Plainview, Texas would like to express our sincere appreciation for what Hungerplus has contributed to our food pantry over the past years. Over the years we have help provide food to thousands of persons in Hale County. There is no way that one agency can meet all the needs in this community especially when hunger is concern. Even, The Salvation Army as huge organization as it is, can not meet the needs of everyone. It is only through corporative help that agencies can meet the food needs of people. This is why we are grateful of the help we get from Hungerplus to help meet the food needs of people in Hale County. I hope and pray that Hungerplus will continue to be there to help meet the food needs of people in this community and the surrounding areas it serves.

Thank you for your help and may God Bless you and your agency.

His Humble Servant,

Captain Alfonso Martinez
